**Bolokada Conde was born in Morowaya, Guinea, West Africa and is one of the most celebrated Grandmaster Djembefola's in the world. He was lead soloist of the government ballet "Les Percussions de Guinea" for over a decade and currently performs and teaches worldwide to beginning and advanced students. His primary mission on this visit is to raise funds to finish a well in his home village where his family and friends do not have access to enough clean water.**

***Beginners are welcome-Drums will be provided***
