

HELP WANTED!

Are you a teen who is looking to work & make some money?

**CALL AHM
860-228-9488
to work for
the CHORES
program!**

AHM CHORES Program is in need of teens who are **14 through to 19 years of age**, to apply for work in the CHORES program. Through a partnership with local youth and senior citizens, we are able to match the skills of youth workers for the needs of our senior community. Young people learn important lessons such as; time management, and communication skills, while developing and showing neighbors their compassion service to the community where they reside! The teens are paid to perform light housekeeping, yard work and even computer support at absolutely no expense to you!

All teens will be paid minimum wage. Teens can work for up to two hour shifts at a senior's home, up to 10 hours per week. Teens should have their own transportation and be serious about working and earning wages.

The program is made possible through grants from NCAAA, the New Alliance Foundation, Church of the Holy Family, and in partnership with Andover, Hebron and Marlborough Senior Services. The program is coordinated by AHM Youth & Family Services.

**To register for work call:
Kate Graham at 860-228-9488
or email: kateg@ahmyouth.org**
