

KinderRHAMa Preschool Program

Parent Information

2021-2022

We welcome your family to AHM KinderRHAMa Preschool!

****Important: Please see the COVID-19 Compliance addendum document that accompanies this handbook as it has special routines, guidelines and procedures for our program during this time. Items that are starred (**) have been modified due to COVID-19 precautions.**

If you have any questions, or would like information about other resources provided by AHM Youth Services, please contact Becky Murray at (860) 573-1260 or beckym@ahmyouth.org.

Program Mission and Description

Background: The KinderRHAMa Preschool Program is part of AHM Family Resource Center, which provides services to families who live or work in the towns of Andover, Hebron, Marlborough and Columbia. KinderRHAMa is part of the large network of services offered by AHM Youth and Family Services to families in the community. The mission of KinderRHAMa is to provide a nurturing, safe, stimulating and developmentally appropriate environment for children aged 2 ¾-5 years of age.

KinderRHAMa has been in existence for 16 years and is a collaborative effort between RHAM High School and AHM Youth and Family Services. The program's location at RHAM High School offers many enrichment opportunities for preschoolers, as well as an educational and vocational experience for RHAM students interested in working with children.

Program focus: KinderRHAMa places a large emphasis on children's social emotional development and social interactions and see these as integral aspects to children's development in all areas. Teachers plan a curriculum based on the State of CT Early Learning Development Standards (CT ELDS), which details the skills children need to be working on in various developmental domains from the ages of birth through five years.

Skills in many domains are gained through planned activities as well as naturally occurring experiences within the preschool classroom. Planned activities include Circle time with stories, singing, and sharing; Centers with manipulatives (such as Lincoln Logs, building blocks, and Magna Tiles); Science and Math activities; Literacy activities; time outside, snack, lunch (for 4 year olds), and clean up. Skills are learned through play, through children's interactions with other children and the staff, and through our classroom routines. Children have the ability to choose materials and explore, and it is through their play, choice of materials, and exploration that they are able to work on and practice important skills. Through this series of planned activities and classroom routines, children play and learn in a caring and nurturing environment, with assistance from teachers and RHAM students.

Staffing: Two trained teachers organize and implement the program. They have extensive experience with preschool aged children, and a strong knowledge of child development, curriculum planning, and classroom management. RHAM High School students assist in many aspects of the classroom including interactions with the children, facilitating circle time, assisting children in small groups, one on one interactions, and eventually lesson planning. RHAM students who volunteer in the program are taking, or have taken Child Development and Child Psychology coursework. They are supervised by the KinderRHAMa teachers in the classroom.

Families: Family involvement is an important component of the program, with family members welcome to visit the classroom, as well as for family events held regularly throughout the year. As part of the AHM Family Resource Center, many families have attended or will attend other programs including Play and Learn groups, special events for families, and other services provided by AHM. This continued relationship with families through their child's growing up years is a source of pride and strength for KinderRHAMa preschool and AHM Youth and Family Services.

Basic Program Information

Program Days/Hours:

Parents can choose from the following options:

3 year olds: Tuesday & Thursday from 8:30-12:00

3 year olds Extended Day: Tuesday & Thursday from 7:00-3:00

4 year olds: Monday, Wednesday, & Friday from 8:30-1:00

4 year olds Extended Day: Monday, Wednesday & Friday from 7:00-3:00

Combined 3 & 4 Year olds: Monday through Friday from 7:00-3:00

Program Dates:

The M/W/F program will start on **Wednesday, September 8, 2021**

The T/Th program will start on **Thursday, September 9, 2021**

Please see attached calendars.

Orientation:

We will have a chance for parents and children to visit before school begins. There will be more information to follow about this.

KinderRHAMa Contact Information

Here is contact information for our staff. Teachers' ability to talk during classroom time may be limited, but they can return phone calls after class.

KinderRHAMa Classroom Teacher	Cari Duigou	(860) 228-5310	Cari.duigou@rhamschools.org
KinderRHAMa Classroom Teacher	Heather Holbrook	(860) 228-5310	Heather.holbrook@rhamschools.org
Program, forms, administrative questions, other FRC programs	Becky Murray	(860) 228-0871 or (860)573-1260	beckym@ahmyouth.org
Financial Questions	Lisa Reeve	(860) 228-9488	lisar@ahmyouth.org
Financial Aid	Yara Ford	(860) 228-9488	yaraf@ahmyouth.org

Forms:

We will be giving you a packet of forms to fill out before your child starts school.

These must be received prior to starting in the classroom. **Please note that per CT state law, until we have received a medical form, your child will not be able to participate in the program.**

Dropping off/Picking up

Please drop off in the semi-circle outside our classroom.

Teachers will meet you at your car and walk your child into the room from there.

For safety reasons, please do not get out of your car. The teachers will approach your car, greet you and your child, and walk your child to the classroom.

We assume that both parents have permission to pick up the child. If this is not the case, please let us know so that we can ensure we are following your wishes.

Pick up will be outside in the play yard, or at the classroom door if the weather is inclement.

Pick up Permissions

- o If someone other than you (the child's parents) will be picking up your child, please let the teachers know.
- o We will ask people picking up your child for picture I.D., so please make sure they have it with them. You can change this during the year, just please make sure you write a note, or add the pick up person to the list in our registration book.

Weather Related Delayed Openings/School Cancellation:

Weather related early closings are announced on the news. RHAM High School is in Region 8. In the event that RHAM is cancelled or delayed due to weather, announcements will be made on local TV stations.

If RHAM is cancelled, preschool will be cancelled for the day.

If RHAM is delayed, we will open at 9:30. There will be no Before Care available.

If RHAM is closing early, preschool will end at **noon** for all classes. There will be no After Care available.

You can sign up for **Text Alerts** to your cell phone (no data plan needed). Here is the link to sign up through WFSB:

<http://my.textcaster.com/asa/Default.aspx?ID=c1616077-39d9-4682-b0ca-63a1ee174441>.

Choose option #3, School Closings-CT. 3E Tolland County-RHAM is Regional 8 District.

Calendar

Please note that our Preschool program **mostly** follows the RHAM calendar. **We do not make up snow days. Please be sure to refer to the KinderRHAMa calendar (on the last two pages of this document).**

Fees and Payment Procedures

Program Fees

Registration/Enrollment Fee for all classes: \$45(non-refundable)

Deposit of \$150. This deposit will be applied toward the first payment and is non-refundable.

Program	3-Year-Old Program	4-Year-Old Program	3- Year-Old Extended Day Program	4-Year-Old Extended Day Program	Combined 3 and 4-Year-Old Program
Days	Tuesdays, Thursdays	Mondays, Wednesdays, Fridays	Tuesdays, Thursdays	Mondays, Wednesdays, Fridays	Monday through Friday
Hours	8:30-12:00	8:30-1:00	7:00-3:00	7:00-3:00	7:00-3:00
Tuition	\$2,160/year	\$3,880/year	\$3,130/year	\$4,695/year	\$6,455/year

Payment Schedule Options

Please select your payment option below and complete the required ACH form authorizing use of your selected credit/debit card or checking/savings account. This form is in your form packet.

Tuition Payment Options:

ACH is required for all payments

- A. Tuition paid in full, due on August 1, 2021**
- B. Tuition paid in 2 payments, due on August 1, 2021 and January 1, 2022**
- C. Tuition paid in 3 payments, due on August 1, 2021, November 1, 2021, and March 1, 2022**
- D. Tuition paid in 10 payments, due on August 1, 2021, September 1, 2021, October 1, 2021, November 1, 2021, December 1, 2021, January 1, 2022, February 1, 2022, March 1, 2022, April 1, 2022 and May 1, 2022.**

For families enrolling after June 30th or after the start of the program:

Monthly tuition payments will be calculated based upon the date of enrollment, with the final payment scheduled to be received by May 1, 2022.

Refunds - Withdrawals: **

Registration fee is non-refundable. The deposit of \$150 is non-refundable. If you choose to withdraw your child, a mandatory 30-day withdrawal notice in writing is required. With a 30-day written withdrawal notice, any unused tuition will be credited to your account.

Late Payment Procedure:

If payment is not received by the **10th** day of the month, a late fee of **\$15.00** will be imposed for each month the payment is not received or is late. No exceptions will be made.

If payment is not made by the 10th of the month, your child's space in the program will be jeopardized.

Late Pick Up Charge:

Please pick up your child on time. If you pick up late, a fee of **\$20.00 will be assessed.**

Returned Checks:

A **\$25.00** service charge will be imposed on any returned check.

Financial Aid:

We have a limited amount of scholarship funds that can reduce monthly tuition fees for families who qualify. If you would like to apply for a scholarship, please fill out the form available at <https://ahmyouth.org/program-scholarship-application/> and return with the required documents to AHM Youth Services, 25 Pendleton Drive, Hebron, CT 06248, Attn: Yara Ford. All information will be held confidential.

Tax Information:

You may be able to deduct tuition for childcare expenses. Please consult with your accountant. **Our Federal Tax ID Number (TIN) is 22-2595584** and our legal name is Andover, Hebron, and Marlborough Youth & Family Services, Inc. We will put our tax ID number on all forms.

If you have any questions regarding financial aid, please contact Lisa Reeve or Yara Ford at 860-228-9488.

Communication with Families**If your child will be out**

If your child will not be attending school due to illness, vacation, or any other reason, please call the classroom at (860) 228-5310 or email Heather Holbrook at heather.holbrook@rhamschools.org. We like to know for planning purposes who will be at school each day!

Newsletters

We send home a newsletter once a month. This will cover curriculum, inform you of upcoming dates in our classroom, events in the Family Resource Center or AHM Youth Services, and will include an article that is related to our theme on some aspect of child development or parenting.

**** Please see COVID Addendum**

Curriculum

Information on the curriculum for the month will be listed in the newsletter, including the Early Learning Development guidelines (ELDS) we are focusing on for the month, books we are reading, songs, and art projects. There is a planning web on the bulletin board when you enter the room that lists the activities, themes, and skills we are targeting that month. In addition, we will post weekly activities on the white board to let you know what we are doing in the classroom for the week.

Child Assessment

Children are observed throughout the year, both informally and formally. We use the Ages and Stages Questionnaire which is a screening tool, and the CT Documentation & Observation for Teaching System (CT DOTS) to assess your child's skills in the areas of Cognition, Social and Emotional Development, Physical Development, Language and Literacy, Creative Arts, and Math. We will let you know how children are doing in different areas of development on a continual basis through verbal reports. Children will be screened using the Ages and Stages Questionnaire in the fall, and you will receive a copy of this questionnaire. We hold Parent Conferences in March. At this time, you will be given a written progress report on your child and will have the opportunity to comment and give feedback. Information about your child's progress is confidential. Written reports about his or her progress will only be discussed among KinderRHAMa staff.

If you have a concern at any time during the year about your child, you are always welcome to talk to the teachers. If there is an issue which you would like to discuss in-depth, you can call or email to schedule a conference.

Parent Input

******We very much value your feedback on curriculum and the program as a whole. Parents are invited to brunches several times a year. In addition, we invite parents into the classroom to participate in planned activities, or to lead an activity with children.

Facilitating An Activity in the Classroom

******If there is a story, craft project, information about your profession, or another type of program you would like to present to the class, please talk to the teachers to schedule a time! We have had many enrichment activities in the past, and these have included such things as: teaching the children a dance, cooking, doing a craft, reading a story, doing a musical program, and sharing about a holiday or custom your family observes at home.

Please note: We recognize the number of working parents in our midst and this is **not** a requirement of KinderRHAMa, it is entirely optional!

If you are interested in taking on a leadership role in the Family Resource Center, or AHM Youth and Family Services, please talk to Becky Murray. There are opportunities for parents to volunteer in many capacities.

Parent Brunches

******We have parent child brunches several times during the year. These give parents a chance to talk with other families, the teachers, and see what the children have been working on. Dates for these will be listed in the newsletter, and there will be a sign up in the classroom. If you are not able to attend, feel free to send a relative or friend with your child. These usually occur in November, February, and May, and are held during the first 45 minutes of the program, from 8:30-9:15. After the breakfast, the children stay until regular dismissal time.

**** Please see COVID Addendum**

Class List Names and Numbers

We would like to distribute, with your permission, a class list with children's names, parent names, addresses, e-mails, and phone numbers. Parents have found this helpful in learning names of the children in the class, and for getting together outside of school. In your packet there is a form for you to check off as to whether or not you would like to be listed.

Visiting the Classroom

**Parents can visit the classroom at any time. Other visitors may include parents who are interested in the program, or special guest presenters. These are arranged with the teachers.

Program Evaluation:

We do a yearly program evaluation and ask parents about their families' experience in the program. This is an opportunity to give us feedback about the program! Parents will be given a final report of the findings of the report.

RHAM Students in the Classroom

**The KinderRHAMa preschool provides high school students with an understanding of child development through observation and interaction. RHAM students assist in the KinderRHAMa classroom on a regular basis. In addition, students who have previously been enrolled in Child Development classes also assist in the classroom periodically. To help familiarize parents with RHAM students who are assisting, we have photos of them on a bulletin board in our classroom.

Health and Safety

Hand Washing:

Hand washing continues to be the most effective way to prevent the spread of illness. Children wash hands upon entrance for the day into KinderRHAMa, after using the toilet, before eating, and after messy activities. Staff will assist children with hand washing as needed.

Health Forms:

Each child enrolled in KinderRHAMa is required to have a Health Form signed by a doctor on file. We have a nurse consultant for our program, Sharon St. Rock, who reviews the health forms to ensure that they are complete. She may contact you for this information, or to clarify any health conditions listed on your child's form.

Immunizations:

KinderRHAMa requires children show proof of immunization unless they are medically exempt and bring documentation showing this (explained further below). In the case of a child who is not immunized in accordance with the state regulations, KinderRHAMa will notify parents of any communicable outbreak immediately. Parents may remove their child from the class at their discretion. KinderRHAMa will not be held liable for any illnesses an unimmunized child contracts. This is the link for current State Immunization requirements: https://portal.ct.gov/-/media/SDE/School-Nursing/Forms/Immunization_Requirements.pdf

** Please see COVID Addendum

Medication Procedures:

Connecticut State Law and Regulations require a physician's or dentist's written order and parent or guardian's authorization for a director or teacher to administer medications. If your child needs to receive any medication during school hours, we must have a form on file. This is the "Authorization for the Administration of Medications by Day Care Personnel" form in your packet. Medications must be labeled with the name of child, name of the drug, strength, dosage, and frequency, and with physician's or dentist's name and the date of original prescription. Over the counter medication must be in the original container and labeled with the child's name. If your child uses an Asthma Inhaler or Epi-Pen, please bring us one to be kept in a locked box in school in the event that it is necessary for us to administer. We will return it to you at the end of the school year.

Illnesses

**Please notify us if your child is ill. In turn, we will let you know if there are contagious diseases that have circulated in our classroom. Following an illness, a child must be "24 hours symptom free" in order to attend. That means no fever, vomiting, diarrhea, etc. for 24 hours before returning to school. If your child is put on antibiotics for a contagious illness such as strep or pink eye, they must be on antibiotics for a full 24 hours before returning. Children should be back to eating and drinking and acting normally before returning to school.

If your child becomes ill during the preschool session, he/she will be made comfortable and you will be contacted to come pick him/her up. If you are not available, we will call people on your contact list for pick up. **Please make sure you have people on your emergency contact list who live locally, in the event that your child needs to be picked up from school.**

Accidents, Emergencies

KinderRHAMa Staff maintain current certification in CPR and First Aid. If there is an emergency involving your child, you will be contacted. If you or your spouse is unavailable, staff will go down the list of your emergency contact people to inform them of the situation. Staff will render appropriate treatment for your child. If necessary, emergency services will be activated. If 911 is called, the school nurse and administration will also be notified.

Allergies

Please let us know if your child has food or any other type of allergies (ex. latex). Please also see the "Food" Section of this handbook.

Licensing

Our program is exempt from the licensing requirements of the Office of Early Childhood due to being in a public school and run by a municipality.

Security

Classroom Entry

Both the door to the outside from the classroom, and the door from the RHAM hallway to the KinderRHAMa classroom are kept locked. Please knock on the door or ring the doorbell for entrance.

Pick Up

**** Please see COVID Addendum**

Anyone picking children up from KinderRHAMa needs to be listed on the pickup list that you submit with your forms. The first time we meet anyone picking up your child, they will be asked to show I.D. We assume both parents have permission to pick up children unless you tell us otherwise. You can change this list at any time. If you are having a new person pick up, please make sure to add them to the list. If a situation arises, where you have not yet given us written permission for a new pick up person, verbal consent from a parent will suffice until the form is filled out.

Fire Drills and Lock-Down Drills

KinderRHAMa, as part of RHAM High School, participates in fire drills and lock down drills. Our priority during these is to follow the Protocol in place by RHAM, and keep the children calm and safe. We have not found children to be distressed by drills.

Automated Notification System

Parents in KinderRHAMa will be part of this system and will receive notification via home or work emails and calls to their home, work and/or cell phones when school to home contact is necessary for emergencies or other important communications. (Examples may be in the case of bad weather, security alert, etc.) There is no sign up for this alert system. We will use the email and phone information that you list on your emergency form for this purpose. Please note: If you change your phone or email during the course of the year, please give us your new contact information so that we can provide up-to-date alert information in the system.

Food Policies/Clothing/Birthdays

Snack:

Children in both classes will have a snack during the morning. Please send an individual snack and drink for your child on each day they attend school.

Breakfast: Children who arrive at 7:00 am often bring breakfast at school, so if you would like to do this, please pack breakfast for your child.

Birthdays

Some parents choose to send in a special snack on or around their child's birthday (often cupcakes!) Just let the staff know if you would like to do this. **Note about invitations to parties outside of school. Please **do not put invitations in children's cubbies to invite them to parties, **unless** you are inviting the entire class, as this may result in hurt feelings.

Please let us know if your child has any allergies. We can keep food on hand for your child to have in our cabinets labeled with his/her name during times that the class is having a special treat (for example a treat for a birthday, please see above).

Lunch

If your child is in the 4-year-old program or staying for the extended school day, please pack a lunch. Children in the 3-year-old program will not eat lunch in school unless they are enrolled in our full day program.

Clothing/Extra Clothes

Please dress your children in casual clothing. We will be doing a variety of projects, some of which may be messy! While most art materials will wash out of clothing, we do not want

**** Please see COVID Addendum**

the children to worry about getting their best clothing dirty. Also, although your child is potty trained, it would be helpful if you could send in a change of clothes labeled with your child's name to keep at school in the event of an accident. Please make sure your child is wearing proper shoes for the playground.

Rest Time

There will be a rest time for children who are staying enrolled in our extended day option. We provide cots. **You can send in a small blanket, sheet, and small stuffed animal, which we can keep in your child's cubby. If your child does not want to sleep, he/she can look at a book quietly.

Extended Day

If we have room available, you may be able to sign up your child for Extended day care on an occasional basis. If you do not register for this for the year, there is limited space available. Please talk to the teachers or email 1 week in advance of the date(s) when you would like your child to attend the Extended day program to give us adequate planning time. Teachers will confirm with you the dates and times.

Release of Information Form

During the school year, we will be working closely with your child, and will be observing their progress in many areas of development. This is information that may be helpful, with your permission, to share with other professionals. In your packet of forms, please find a "Release of Information" form for your child's records. This information is of course confidential.

Emergency Back-Up Coverage

We understand that sometimes there are circumstances where a parent may be late, but we would like to minimize these as much as possible. As circumstances may arise where you are unable to pick up your child on time, due to traffic, weather, or other eventuality, we encourage you to have a back-up person available who lives **locally**. This person/people **should be listed on the preschool permission pick up form**. If you will be late, please contact them and then call us.

Behavior/Discipline:

KinderRHAMa staff have training in Conscious Discipline, a program developed by Dr. Becky Bailey that empowers and encourages adults to teach and model social emotional skills including respect, composure and good communication to children.

Our staff is committed to creating an accepting classroom climate where children feel like they belong, are valued, and can contribute in a meaningful way. This helps children make connections with others and sets the stage for cooperative, prosocial behavior. We focus on increasing children's assertive communication with each other as well as increasing their problem solving skills. Positively reinforcing good behavior regularly helps children want to cooperate! We also set clear and consistent limits, and provide consequences when those limits are exceeded. For more information about this program, please visit www.consciousdiscipline.com

If a child is having a conflict, staff will use one or more of the following methods:

Restate the problem, empathize with the child, and help them use words to express anger, frustration, and sadness

**** Please see COVID Addendum**

- Help the child to calm themselves
- Help a child to find a solution and/or redirect the child to another activity
- Use mediation between children when there is a conflict
- Give clear choices about acceptable solutions
- Remove the child from the situation of conflict

In addition to conflicts within the classroom, staff will try to think of other creative ideas that you can apply to specific situations at home. With the help of discipline and positive guidance, children will learn to set their own acceptable limits, and will grow and develop as people and as problem solvers!

If a particular child exhibits negative behaviors in the program on a regular basis, or if the child is a threat to himself or others, KinderRHAMa staff will meet with the child's family to determine what approach is necessary to best help the child to behave in a more positive and constructive manner. Staff may make suggestions regarding strategies and may refer to counseling if needed. Specific action will be taken if deemed necessary by program staff, including suspension or withdrawal from the program.

Scholastic Book Orders:

We place orders from scholastic books on occasion. Your child will get a flyer in his/her cubby, which you can return with payment to the classroom. All checks (no matter from which catalog you order) can be made out to "Scholastic". You can also order and pay online by going to www.scholastic.com/parentordering. The first time you order online, you need to set up a login and password. Our classroom code is **J6L6W**. We do get credits for books for the classroom when parents order, either with paper or online orders.

Teacher Biographies

Cari Duigou (known as "Mrs. D" to the children), is a KinderRHAMa teacher. Cari has a Bachelor's Degree from University of Connecticut, with a concentration in Human Development and Family Studies. In addition to being a preschool teacher, Cari is the Site Coordinator Director of the East Hartford Crossroads After School Program and Summer Camp. Cari has taught preschool children since 1998.

Heather Holbrook (known as "Mrs. H."), is a KinderRHAMa teacher. Heather has an Associate's Degree in Education with a focus on Early Childhood Education. She is the KinderRHAMa Summer Camp director. Heather has worked in childcare since 1993.

Jahna Sieckowski (known as "Ms. Jahna") has a Bachelor's Degree in Psychology with a focus in Young Children and is pursuing a Master's in Social Work degree through UConn. Jahna has extensive experience working with preschool aged children, as well as working with teenagers and school aged children.

Becky Murray (otherwise known as "Ms. Becky"), is the AHM Family Resource Center Coordinator. Becky has a Master's degree in Clinical Psychology. She has been with AHM Youth Services for the past 18 years, coordinating and facilitating various programs for parents and children.
