Hi everyone,

This past month my work was not heavily focused on AHM CHEC work as in the past. Rather, kicking off Project Graduation fundraisers, webpage, parent letters etc was the main focus along with JRB case management at RHAM.

So, this month I am providing a summary of key information via email in lieu of our Zoom scheduled for tomorrow. At the March meeting we will be back on track! If you have any questions or comments let me know!

AHM CHEC

- **Drug Take Back Day** - UCONN School of Pharmacology reached out to AHM expressed interest in participating our Spring event. Great having this partnership. (Thank you, Rob, for connecting us!) The next DEA National Prescription Drug Take Back Day is on Saturday, **April 29th, 2023**.

***Let me know if you are able to volunteer from 10-2PM on 4/29. RHAM High School is a definite location for Take-Back. If there are enough volunteers we will plan on doing a Marlborough location as well. Looking to have a mix of SOAR, CHEC, and UCONN volunteers like we had at the Fall Take Back!**

Project Graduation

- **Paint Night Fundraiser** was held on Friday, 2/24. Great night that raised \$600 for Project Grad with 27 people in attendance. Check out the video from on the AHM CHEC webpage!
- **Graduation Lawn Signs!** Orders taken from 3/1 - 3/31. Signs are \$20 each. To order, visit: www.ahmyouth.org > Project Graduation webpage.
See attached flyer.
- **Limited Edition 'Simply Soy' Class of 2023 Graduation Candles** - Orders taken from 3/1 - 3/31 and will be ready for pick-up in late May.
Check out the attached flyer with a direct link to order candles.

- **ISO of Musicians and vocalists of all ages, experience levels and genres for our fourth annual Tip A Musician Fundraiser** which is planned for Saturday June 3 at the Flour Girl Bakery and Cafe patio area from 11-2:00PM. (Steve, I have you in mind!)
Flyer with application link is attached.

RHAM High School

- **SOAR Youth Group** had a great meeting with 10 students in attendance with vibrant conversation about January's wellness event, and teed up ideas for the March meeting and event.
- Deborah Lake from the Governor's Prevention Partnership will speak at the **RHAM HS March 22 Spring Athletics' Night for Students/Parents**. Talking points, YVCS, risks of vaping (suggested to talk about again by D.Trudeau, RHAM's Athletic Director) and risks of using alcohol and how both effect athletic performance. Handouts: Cannibas & How It Effects Athletic Performance and Alcohol & How It Effects Athletic Performance
- **YVCS Social Norms Banner** was hung on the wall in the high school cafeteria

Grant work this month focused on:

- **Drug Free Communities** due March 17
- **STOP Act Funding** application due this Friday (Alcohol focus)

AHM Update

- AHM is having a **QPR/Narcan Training** on Monday, March 20th from 6-7:30pm.
See attached flyer for details.

Thank you!
Jenn
