Launching AHM's summer programs, attending Hebron Summer Kick-off Event on June 18th, Towns wants QPR and Narcan Training/building capacity to do this in-house, State Opioid Response Grant helps support Narcan, getting more Doterra drug kits and working with the 3 Towns with the settlement money to continue Prevention work.

SOAR Update: Jenn B

Students had other commitments and weren't available to do the update. Last meeting there were 8 students in attendance and everyone reflected on the year. Talked again about transitions (6-7th grade and 8-9th grade) as being stressful, came up with a list of things they liked about the year (wellness events and crafty activities for the meetings topped the list) and they will decide in September what SOAR's calendar will look like!
